2017 Please save top of this document and carefully note your time and date here: _____

48 to 50 HOUR CANYON SAFARI: The ultimate offshore experience for the east coast hardcore big game fisherman (or woman). Fishing opportunities abound with the extended fishing time allotted for this special trip that is only offered twice a season. Target is tuna, swordfish, mahi and tilefish.

36 HOUR CANYON FAVORITE: This is Capt Bob's favorite canyon trip. Extra time to fish for tunas, catch some tilefish and hook into mahi-mahi plus other exciting species.

24 HOUR CANYON SPECIAL: Our 24 hour canyon specials leave Friday and Saturdays, getting you to the edge in fast comfort for the best offshore experience on the coast.

24 HOUR CANYON LITE LOAD: All the amenities of our regular canyon trip but with more elbow room for the best comfort and fish fighting experience.

INSHORE EXOTICS: This is our inshore trip that runs for pelagic fish, such as mahi-mahi, bonito, little tunny, and various jacks. This trip is limited to just 3 dates and sells out fast.

NOTE: Monofilament is the best way to go for these trips. However — If using braided line you must have at least 200 yds of monofilament top-shot for bait fishing. Braided line may be used for jigging, away from bait lines, with a 30 yard top-shot of mono — braided line use is subject to crew discretion.
