2019 Please save top of this document and carefully note your time and date here: _____

36 HOUR CANYON FAVORITE: This is Capt Bob's favorite canyon trip. Extra time to fish for tunas, catch some tilefish and hook into mahi-mahi plus other exciting species.

24 HOUR CANYON SPECIAL: Our 24 hour canyon specials leave Friday and Saturdays, getting you to the edge in fast comfort for the best offshore experience on the coast.

NEW! 30 HOUR CANYON ELITE: All the amenities of our regular canyon trip but with MORE TIME FISHING for at a great price. Just 3 of these dates, including Columbus day.

INSHORE EXOTICS: This is our inshore trip that runs for pelagic fish, such as mahi-mahi, bonito, little tunny, and various jacks. This trip is limited to only 3 dates and sells out fast. These trips have a rain date of next day -- the following Tuesday.

SPECIAL NOTES:

- *Monofilament is the best way to go for these trips. However --if using braided line, you must have at least 300 feet of monofilament top-shot for bait fishing. Braided line may be used for jigging, away from bait lines, with a 100 feet top-shot of mono -- braided line use is subject to crew discretion.*
- *If the captain decides to cancel the trip due to bad weather, you will have the option of rescheduling --or full refund to you. If a trip is cut short, due to bad weather, we will give you a credit for a future trip of your choice.*
- *Your payment is non-refundable if you cancel less than 2 weeks ahead.*
- *We reserve the right to overbook by 10% for extenuating circumstances.*
- *If fuel prices go above \$4 per gallon, we reserve the right to add a surcharge.*
